

## THIS IS HOW OUR COURSES WORK:

### Our intention:

- Our method provides guidance in discovery of knowledge driven by the participant.
- Some portions of the material are:
  - Foundational to support basic themes
  - Responsive to requests
  - Controversial to show alternative thinking or to promote discussion
  - Avant-garde to guide the future

### Our method:

- Course material is available 24/7
- Text material is supported by direct contact with the instructor with 24 hour response time
- Material is presented in descriptive format with links to referenced documentation
- Content is downloaded through the internet for you to view and to print the text and illustrations.
- Tests are administrated to facilitate learning

### Click on these steps to completion:

1. **Register** and **Sign-in** at no charge or obligation
2. **Select** your preference from our courses
3. **Review** the course syllabus
4. **Take the pretest** and evaluate your competence
5. **Enroll** after completion of the pretest
6. **Activate** the course when you are ready.
7. **Study** the extensive course text, graphics, videos illustrations and reference.
8. **Participate in the Forum** and Email the instructor.
9. **Check your email** for reminders of schedule times
10. **Take the final exam** to receive your grade and your CE voucher via email

### Our expected result:

Our mutual expectation is a great experience with engaging material: clinically based, scientifically valid, and valuable to you.

We contribute a portion of our proceeds to our educational partners.
